We're so proud of the dedication, energy, and joy our dancers bring to the studio each week — and we can't wait for you to see them take the stage!

IMPORTANT COMMUNICATION UPDATE

Weather,
Cancellations or
closures

Please note

When school is cancelled the studio may remain OPEN. The same procedure will apply by updating you at 3pm.

We do not do “make up” classes unless a particular class has been affected each week significantly.

As winter approaches, we want to remind families of our weather and emergency cancellation procedures.

For morning classes, any closure or delay will be posted by 8:00 a.m & for evening classes it will be posted by 3pm on our social media pages and team chats. For any cancellations made less than one hour before class time, families will be personally contacted.

The safety of our dancers, families, and teachers is always our top priority. Please be sure to follow our social media pages for the most up-to-date information on class changes or closures.

Stay safe and warm, and thank you for your understanding and cooperation!
