FROM THE BOARD:

Welcome 2026!

We've been back at the studio for a few weeks after a refreshing holiday break! We hope everyone had time to rest and recharge. We wanted to take a moment to thank everyone for coming out to our holiday show and a big thanks to our teachers for putting it together during such a short time frame for classes! Our next big event for the **entire studio** will be our Spring Showcase! This is a fantastic show that includes both competitive and recreation dancers! Mark your calendars for **Sunday May 31st**! This show is scheduled at Horton High School in Greenwich. More information about tickets will be coming soon!

Studio & Attire Reminders:

We are lucky to have brought on some new dancers this semester please do your best to make them feel welcome.

A reminder to all dancers: please come prepared in comfortable attire that allows for stretching and movement. Please ensure your hair is tied back out of the face. Water only is permitted in the studio. For ballet classes: leotard, ballet slippers, hair in a bun for all classes.

Please remember that while classes are in session to be mindful of noise levels in the hallway.

Thank you!

There is a new communications board in the studio. We will continue to use email as our primary form of communication and use this as an additional space to share the same information.

UPCOMING EVENTS:

- 1/16 - The Snap- Solo/Duo/Trios Competition in Halifax.
- 2/14 - Valentine's Party- see information on next page

FEBRUARY

VALENTINE'S NIGHT PARTY!

You are the first to hear it ! That's right! Our dance parties are back!

We are announcing this to our Precision dancers and families first before offering it to members outside of our studio in the community.

We will be hosting a Valentine's " Date Night Babysitting" Dance Party.

Hosting from 5-8pm on Saturday Feb.14th

Our dance studio will be used as the space to host. Ages will be 4-11 years old

Cost:\$20/per child

Limited spaces will be available. First Aid/CPR certified members present all evening.

First come first serve- We will be posting to our Social Media early next week.

To register please email precisiondanceinfo@gmail.com,

Pre-Registration/payment required to secure your spot! Send payment to precisiondancepayment@gmail.com

LOOKING AHEAD

We are always looking ahead and we've begun our search to replace some of our wonderful teachers. We specifically are looking for dance teachers that would be interested in teaching at our studio beginning in September. Our posting is out and also shared in the dance community as well as social media. Please help spread the word!

FUNDRAISING

Please keep your eye out for a new Fundraising opportunity: This is a wonderful chance to earn credit towards next year's registration or competitive fees

COSTUMES

Over the next month or two your dancer will be fitting for their costume for our upcoming spring recital. Fees for costumes are an additional expense that will be sent out when available.

FEEDBACK

As a non-profit studio, we are proudly guided by a dedicated volunteer Board. We welcome feedback, ideas, and suggestions from our community and encourage you to reach out if you have thoughts on how we can continue to grow and strengthen our studio.

If you're interested in getting more involved, Board membership will reopen at our Annual General Meeting in June. We are seeking individuals who are passionate about supporting the studio's future and helping ensure its continued success for years to come.
